## Director's Notes

*A very warm welcome to the village of Much Idling for this, the Fairy Godmother of all Pantomimes, Cinderella! I have wanted to direct a pantomime at Careline for a few years now, and to be chosen to do this one*

*is a real honour. Cinderella was the first pantomime performed by Careline Theatre over 25 years ago and I am so proud of the whole team involved with this production. I hope you enjoy the show and take away with you some magical memories of pantoland.*

**Love Giovanna**

We dedicate our pantomime this year to the memory of **Alan and Rita Brett** friends and founder members of Careline Theatre

**'Cinderella'- Evie Cunningham**  
 Although this is Evie's first Pantomime performance, it's in her blood as her grandparents met on a Panto stage. In at the deep end she's delighted to be playing Cinderella, and feels very welcomed by her new Panto family.

**'Buttons'- Neil Carter**  
 This is Neil's second time playing Buttons, a well known and much loved Panto character, he is thoroughly enjoying it and hope's that you do too.

**'Prince Charming'- Maya Coadwell**  
 Maya has been with Careline theatre for 8 years. This is her first lead role and she is thoroughly enjoying it. Maya loves being on stage with her Careline family who have helped and supported her to achieve her dream. She's looking forward to many more shows to come.

**'Dandini'- Victoria Connolly**  
 This is Victoria's second Panto with Careline. This year playing a great fun lead part as Dandini. Victoria has also been busy helping prepare costumes for the Wicked StepMother.

**'Mona Hardup'- Suzanna Mace**  
 Suzanna is no stranger to the Careline stage although usually you will find her teaching dance or choreographing. She is delighted to be playing one of Cinderella's Ugly Step Sisters, a role she has been practicing for some years as a real life step mother. (not the ugly bit!!).

**'Grizelda Hardup'- Candida Wright**  
 There is nothing like a Dame, Candida loves playing the naughty ugly sister Grizzelda Hardup. She will definitely be naughtier at each show and Mona needs to keep her Marigolds off the Prince!!!

**'Baron Hardup'- Andy Crabb**  
 Andy first joined Careline when he played Baron Hardup in their 2004 Cinderella! Here we are again, 18 years later, same role, different script but beautifully suited to the part once again.

**'Baroness Hermione Hardup'- Stevie Keen**  
 A change from playing playing the Dame, this year Stevie will hold you in the evil grip of the Wicked Stepmother. Cruela De vil eat your pants !

**'Fairy Godmother'- Emma Delderfield**  
 This is Emma's first ever panto role with Careline having previously appeared in two of our junior shows. Emma has been part of the Careline Theatre family for some 6 years. She can't wait to bring you a touch of magic as The Fairy Godmother .....Bibbidi, Bobbidi Boo!

**'Lord Chamberlain'- Ian Bennett**  
 For once Ian doesn't have to act in this panto as he feels this is the real him, so regal! He hasn't escaped the odd dance though! He has played a Yeti, a Snowman, a Cannibal, a bear and a Friar in past Pantos.
