

'Sleeping Beauty'- Kelly B. Wright
 After many years touring with various Fiesta bands and working in professional theatre in Madrid, Kelly has now returned to her beginnings with Careline Theatre as our tempered but cute Sleeping Beauty.

'Prince Handsome'- Kohsun Rana
 Returning to Careline, older, wiser and more dashing indeed, Kohsun has Found Prince Handsome's boots to be a natural fit.

'Queen Gobblebelly'- Candida Wright
 First stepping on stage at 6 years old and having performed and directed many Careline pantos, this outrageous lady is no stranger to 'treading the boards'!

'Squint'- Vicky Connolly
 As a new welcome member of Careline, Vicky has brought her natural talent to the stage playing with hilarity, the Prince's loyal but vis impaired sidekick, Squint.

'King Rumbletum'- Giovanna Wallis
 This is Giovanna's Fourth panto with Careline. It's her first 'regal' role, albeit hilarious. She hopes the cast has as much fun as her!

Our Fairy Godmothers have all appeared in previous productions panto and musicals. We are so proud of them as they are the Future Careline Theatre.

'Oddjob'- Ian Bennett
 Ian brings humour, charm and a sprinkle of naughtiness in his role as Oddjob. From Full Monty, hilarious plays, presenter and to panto, he's an all rounder!

'Bounty'
 Ciara Savage

'Wispa'
 Sabryna Norman

'Smartie'
 Daisy Pettit

'Nurse Pinch Me'- Stevie Keen
 Stevie trained at Mountview Theatre School in London. Playing Dame for a second time with Careline. He says, "There is nothing quite like playing a Dame". So watch out for cheeky Nurse Pinch Mell!

'Olga Pong'- Mandy Hazard
 This is Mandy's second principal role at Careline but her first ever panto. She is loving her villainous character. Be prepared for wicked spells and ear piercing cackling. Give her your loudest boost!

'Cuddles'- Isla Mestre Scott

'Gormless'- Chris Rana
 After his earlier years of study in the performing arts Chris is happy to bring this experience to Careline in his first ever pant

Director's Notes

Welcome to Sleeping Beauty the first panto I have directed for Careline. I am extremely proud of the Careline family who have worked hard to bring you a fantastic show full of fun and frolics in these trying times. We hope you are ready to sing and shout along. So sit back and relax or stand up if you are ordered to. My work is done here. Hail Bournainia.
